

Dear Parents:

Just a formality to notify you we are inspected by Micro-Analytics every six months for asbestos. They do all the Archdioceses inspections. We are in accordance with EPA regulations. A record of inspection, a diagram of the locations of ACBM, the asbestos management plan, and a copy of relevant EPA regulations are available in our office for your viewing if interested.

Asbestos Notification

In accordance with EPA regulations, this facility has been inspected for asbestos containing building material, (ACBM) by accredited inspectors using methodologies specified in the Asbestos Containing Materials in School Rule: 40 CFR Part 763 (AHERA). Friable (easily crumbled) ACBM may cause health problems.

A record of inspection, a diagram of the locations of ACBM, the asbestos management plan, and a copy of relevant EPA regulations are available in our office for your viewing.
