Dear Holy Trinity Families & Staff,

It's hard to believe that we are rounding out the 2nd trimester of the school year. Joining the Holy Trinity family back in August has been such a blessing and often I find myself still in disbelief that God has led me here. Everyone I have met has been so kind and welcoming, I thank you for that.

One of my favorite parts of being the counselor at Clifton has been the opportunity to go into the classrooms for guidance and Friendly lessons.

I enjoy getting to know the students and value the time I get to spend interacting with them on such important topics that are essential to their social and emotional development. This month, our Friendly theme is one of my favorites we've had so far, Uniquely You. Being able to talk with your students about how each one of them is "fearfully and wonderfully made" (Psalm 139:14) has been such a blessing. In a world that we view oftentimes as broken, it is such a blessing to have these moments to go into the classroom and speak as a class about God's truth about us and the plan that He has for our lives. Each one of these students and staff members bring something very special to the Holy Trinity table and I am grateful for the opportunity to watch these students grow and to learn alongside the staff.

As we prepare to head into the final trimester of the school year, I ask that we come together to encourage our students to think about what makes them uniquely them, and how they can use their God given strengths and talents to shine the light of Jesus wherever they go. How can they use their strengths and talents to help a peer at school, show good sportsmanship, be a friend or increase the ways in which they pray, study and serve?

Have A Blessed Week,
Katie Moore

Vision Statement of Holy Trinity Catholic School

To be a school of excellence that encompasses the whole child by modeling Jesus through our Catholic teachings, commitment to academics, service to the community, and devotion as life-long servants of God.

JOY OF THE GOSPEL

We have been praying for you as we practice **Sharing the Joy of the Gospel** with you! After working on growing in all these virtues, you've probably noticed a need for an increase in patience—toward others and yourself. The month of February will be focused on **St. John Bosco** and **Patience**.

God gives us many opportunities to practice patience every day—probably more than we'd prefer. With God's grace, we will focus on patience as the choice to react with love, trust, and understanding rather than as the choice to not react.

We are called to choose to love in every situation by controlling our thoughts, words, and actions. When the toddler is screaming, when you get cut off in traffic, when you spill your coffee (again!), when God's timing doesn't match yours.... it is possible to react with love, trust, and understanding. St. John Bosco is our patron this month as he practiced incredible patience running a school for troubled boys by loving them rather than using any harsh punishments!

We all have weaknesses, and God often uses other people's weaknesses as opportunities for us to grow in virtue with how we respond to them. Keeping these truths in mind, we can more easily choose to react with love—even toward our own mistakes.

Father/Daughter Dance

If you are interested in joining the Father/Daughter Dance Committee 2025 to help plan this fun event, please call Heather Capstick (317-902-8429). We had an amazing event and turnout last year; we hope we can get a fun committee together again this year!

Skating Party

Please join us for a Holy Trinity skating party at Champ's Rollerdrome Friday, February 28th from 5-7. \$5 Cash Admission.

CAFETERIA NEWS

A Message from Chef Joe

Parents, when sending in cash or checks for your child's Flik account, please be sure to include the student's name and their PIN number. This makes it so much easier for the Flik staff to get the money in the correct account. Also, if you have more than one child, it is fine to send one check; just be sure to show the names of the children and their PIN numbers. Thank you.
