Holy Trinity Parents,

I am excited to share that I, along with several members of our administration and faculty, had the privilege of attending the 2025 National Catholic Educational Association (NCEA) Conference last week in Orlando, Florida. This annual gathering is one of the largest private-education association events in the country, bringing together Catholic educators and leaders from across the nation to collaborate, learn, and grow in faith and excellence.

Throughout the conference, we participated in a variety of inspiring and informative sessions focused on enhancing Catholic education. Some of the key topics included:

- "Enhancing Student and Educator Resilience and Well Being – introduced practical strategies for improving student engagement and educator well-being
- "Virtue Education and Brain-Aligned Preventive Discipline" - discussed ways to prevent discipline issues by using empathy with a virtue-based approach
- "Building Resilient School Communities" – offered resources and approaches for supporting student mental health and emotional well-being.
- "Empowering Student Voices" - AI-Powered Tools for Personal Learning - presented AI tools students can use to become active participants in their personal learning journey

This conference was a powerful reminder of the collective mission we all share in forming not only the minds but the hearts and spirits of our students. We left feeling recharged, inspired, and committed to bringing new ideas and renewed purpose back to Holy Trinity.

Thank you for your continued partnership and prayers as we work to strengthen the faith and future of our students together.

We are still accepting registrations for summer PEP opportunities. Be sure to check those out and sign up online by May 9, if interested in the opportunity for your child(ren).

Used School Supply Collection Efforts

As the end of the year approaches, we start cleaning out lockers, desks, and backpacks. Hopefully, you'll hold on to some of the items to reuse as school supplies next year or add to your at-home art supplies kits and homework centers. While we respect that many families want new supplies for the new year, we also don't want to fill landfills with all the leftovers. Thus, Student Council collects any used school supplies in good condition to give to non-profits in our community for their summer camps and/or to fill backpacks for students to take to school in August.

- St. Matthews Grades 5 - 8 will have bins in the hallways to donate during their locker clean-out time.
- St. Matthews Grades PK - 4 families can donate items at the main office by the end of the school day on the last day of school or between 8 - 9 am only on Tuesday, May 27. All donations will be taken to non-profits at 9 am on Tuesday, May 27, so we can't accept donations after that.
- Clifton K - 8 can donate during class clean-up times, at Clifton's hallway bins until dismissal on the last day of school, or at the St. Matthews Office between 8 - 9 am on May 27.
- Items collected: Folders/Binders/EFs with names neatly and completely marked out, no illustrations/drawings on them and not broken or cracked in any way; all writing utensils: crayons, markers, colored pencils, pens, pencils, highlighters; whiteout, scissors, calculators, protractors; paper items: post-it notes, notecards, looseleaf paper, and notebooks with any notes in them neatly torn out.
- Broken crayons and markers - from school or from home - can always be recycled via the collection bins in the art rooms. Our final date to donate them for this school year is May 27 by 9 am.

We will accept donations of uniforms and spirit wear for HT only the week of May 19 - 23 at both campus school offices to sell in the sale.
